Any indication if this is real
I haven't seen it
This is the latest we got from CBSA (at 3:50)
Ambassador Bridge – the Windsor Police Service will attempt to escort 5 to 7 trucks northbound on Huron Church to the USA as a result of discussions with protestors to allow one northbound lane to be opened. The Police will monitor and assess if other protestors attempt to block this movement. All southbound lanes remain blocked – the plaza has been blocked by 6 separate protest sites involving personal vehicles and approximately 150 to 200 pedestrians.
Thank you
